SENIOR OFFICERS

President, Cliff Cordell — "He is made of the stuff that men are made of."

Vice-President, Bob Richart — "The glory of young men is their strength."

Secretary, Theresa Huber — "The jolliest, happiest sort of girl, and a friend to everyone."

Treasurer, Don Leslie — "From the crown of his head to the sole of his foot, he is all mirth."

SENIOR CLASS HISTORY

We, the Senior Class of 1947, outstanding in Scholastic, Athletic and intellectual ability, will endeavor to reinstate our most treasured memories on paper.

Our class made its first social appearance at the reception given by the sophomores. A remuneration was made to the sophomores and we are positive that they shall never forget the enjoyable evening. Our extraordinary talent was made public when several of our classmen appeared in the minstrels of "45" and "Oh! Doctor".

This class demonstrated its athletic ability when as freshmen, several of the boys made the football team with Sprague being a star player on the varsity.

Proving a remarkable scholastic capacity five of our Freshmen were members of the Scholarship Team.

With a wider knowledge of high school ideals, as sophomores, we appeared a little more prominent. We gave the Star Dust dance which was unanimously acclaimed as the best dance ever given in Deer Park High. The girls became active in Beta Girl Reserves and Glee Club. Both boys and girls participated in Chorus.

Three of our boys, Krenning, Benhase and Sprague, proved regulars on the varsity basketball team, while Richart, Sprague, Henneman and Garrison reached varsity football.

More mature in heart and mind, we returned as Juniors in September, 1945. We held our first class meeting and the following class leaders were chosen: Chuck Byrne, President; Don Leslie, Vice-President; Louie Hansen, Treasurer; and Jan Aichele, Secretary.

The biggest event, the one we all looked forward to for so many years was our prom. It was given at Hartwell Country Club on May 4, 1946, and the Kosher-twins furnished the music. Elaine Bachman was crowned Prom Queen. She was attended by Jan Aichele and Marilyn Matson. She made a beautiful queen dressed in a white formal and holding the roses the class presented her. Many participated on various committees to make the evening a great success.

Again we held the record for having an outstanding sports and dramatic ability. The "Gay Ninties Review" proved to be the best stage production of the year with the Junior talent being clearly demonstrated.

A successful year of basketball and football was made possible by the outstanding players given by the Junior class.

To assure early delivery, we ordered our class rings before Christmas from Mr. Herbert Krombholz, a neighborhood jeweler. The rings, however, failed to arrive on time on account of a nation-wide coal strike. As a result, the last of the rings did not arrive until we returned as Seniors in September, 1946.

The ring is a beautiful yellow gold band with an assortment of red, onyx stone or plain yellow gold. All three styles are cleverly arranged with the traditional seal set in.

We had at last reached our height of glory. We were accomplished seniors.

Our first class election presented us with a dependable set of class officers: Cliff Cordell, President; Bob Richart, Vice-President; Don Leslie, Treasurer; and Tess Huber, Secretary.

We selected the "Forget Me Not" as our class flower and the Blue and White as our favorite colors.

Wes Krenning, our star basketball player, was high point man of the M.V.I.L. with an average of 15.6 and was chosen by the coaches and officials of greater Cincinnati as one of the five best players in greater Cincinnati. Bob Richart was given honorable mention as tackle in the First Cincinnati All Star Team.

Commencement with its fashionable caps and gowns prepared us to undertake the solemn yet glorious idea of being escorted into the world of new ideals.

"No matter what the Past has been, the best may still be Thine."

"Saying is one thing, doing is another." The Senior Class Officers have lived up to the quotation in doing everything for the betterment of their school.

Thus with great pride we dedicate this page to them, the Seniors of '47 through whose endless effort and labor Deer Park High has grown bigger and better for its future "life"

"LOVE GOES SOUTH"

The Choruses' annual presentation to the public this year was a light comedy entitled, "Love Goes South". The show consisted of the principle cast, a singing chorus, and several dancing choruses, the principles and music being directed by Miss Howard and the dance routines by Tom Glassmeyer, of Clifton.

The story of "Love Goes South" took place in Georgia at the home of an old southern gentleman, Colonel Jackson, portrayed by Donald Buck. The plot was built around the Colonel's granddaughter, June Jackson, (Wilma Heitmeyer) and her mixed up love affair involving Bill Fuller (Charles Byrne), a show-writer from New York and Bill Preston (Lee Bailey), a southern boy. Much comedy was provided by Bueregard George Washington (Don Leslie), the colonel's worthy colored servant, and Mrs. Fuller (Jeanne Glenn), Bill Fuller's aunt. Some other Northerners who accompanied Bill to the South were his producer, Lawrence Ravensway (Tommy Boberg), his friend Dick Grant (Cliff Cordell), and his sister, Nancy Fuller (Carroll Lakeman). George Porter (Bob Richart) and Mary Lee (Marilyn Matson) were a typical southern couple who added to the gayety of the show.

Got to practice those lines.

"WHEREVER THEY GO"

On February 15th, the band presented to the public their Mid-Winter "Concert" which justified their talents and proved the great effort they had put forth for our pleasure and enjoyment.

The next band highlight of the year was a contest held at Miami University on March 21st for various High Schools in the South Western Ohio district. Soloists and ensembles took part. The ratings were: Clarinet Quartet 1; Russel Dawson, trumpet solo, 2; Herb McKin, trumpet solo 2; Warren Clawson, trumpet solo, 2; Mitchel Nutick, trombone solo, 2; brass quintet, 2; and the Band, 3.

To complete the grand contributions of the instrumental department, the Vanity Orchestra played in the Spring Hit, "Parkers of 1947", adding much to the gayety and interest of the show.

The 1947 Band Officers were: President, Russel Dawson; Vice-President, Bob Ridge; Secretary, Rae Dvorak; and Treasurer, Herb Krombholz.

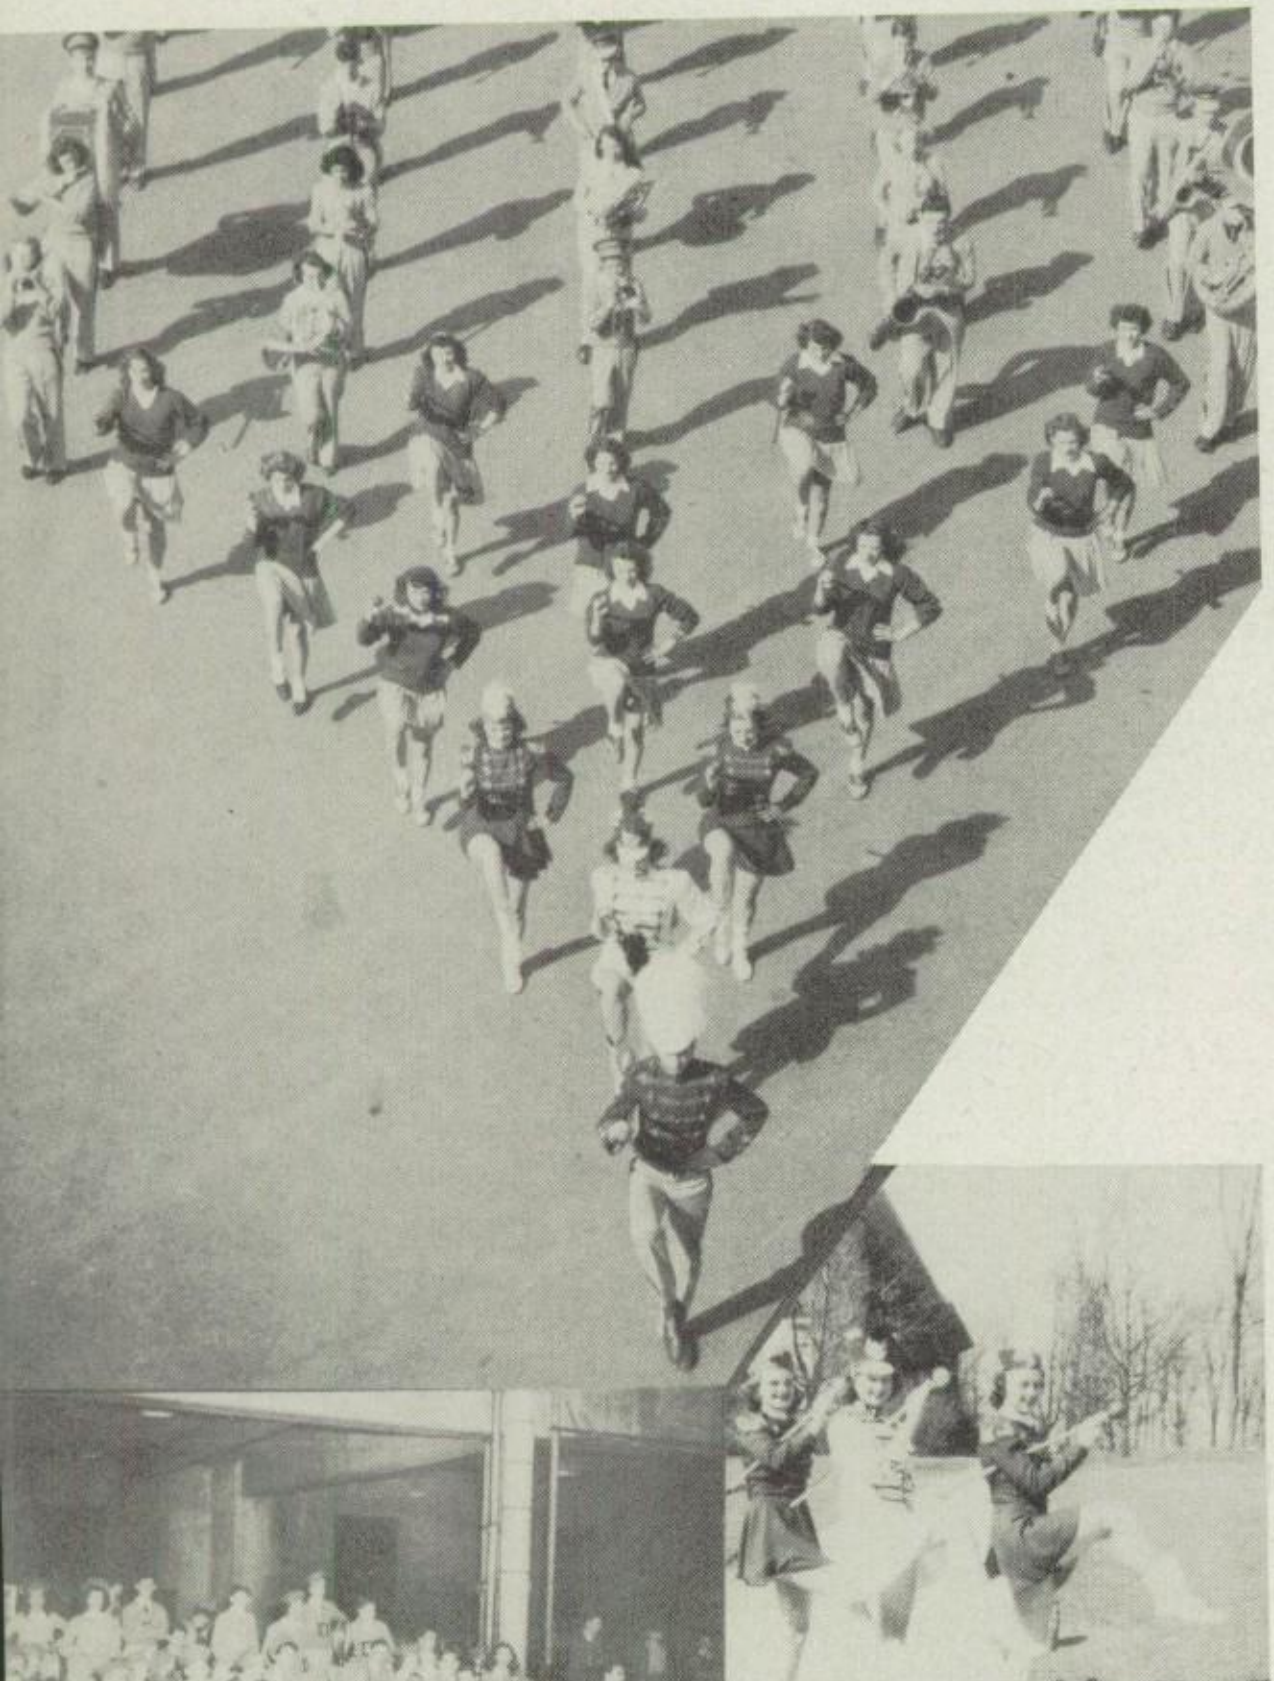
"AND THEY SHALL HAVE MUSIC



We certainly were proud of our band this year when it performed with colorful splendor at each of the football games in the fall of the year. The marching band was composed of thirty-five players, fifteen majorettes, and the darling little sponsor, Jan Aichele.

As soon as the football season was ended, Mr. Snapp and the band members went right to work making and fulfilling big plans for the remainder of the year. Obviously enough, these plans were thoroughly successful.

A band carnival was held on January 31 and February 1st for the purpose of buying new uniforms. This proved a successful affair.

CHORUS

Many people were surprised by the unexpected talent the Chorus has shown this year.

Under the excellent supervision of Miss Dorothy Howard, rehearsals were held during the school periods. Two sections of Chorus had to be organized in order to meet the complicated schedules of most of the members.

The chorus has performed for various events, namely: The Christmas Program, the operetta, "Love Goes South", and the Variety Show.

Miss Howard has organized a few special quartets to add variety to their presentations. The groups were the Boys' Quartet, Mixed Double Quartet, Girls' Triple Trio, and the Boys' Double Quartet.

On March 1 the Boys' Quartet, consisting of Bob Richart, Cliff Cordell, Don Leslie, and Chuck Byrne, went to Miami University to attend the Southwestern Ohio Music Auditions. These boys, through the efforts of Miss Howard, received A-1 rating. This entitled the quartet to go to the state auditions held at Columbus in May.

The Glee Club, under the direction of Miss Dorothy Howard, has contributed to the success of quite a few productions this year.

Sophomore, Junior, and Senior girls are eligible to membership in this club.

This year the girls met twice a week during school hours. Unfortunately the club was divided into two sections because of the complicated schedules of some of the girls.

Miss Howard mentioned that this year's Glee Club was one of the most congenial she had ever had.

Officers were: President — Johnetta Parker; Vice-President — Marilyn Matson; Secretary — Jean Glenn; Treasurer — Ruth Shepherd.

2nd Row — J. Bachman, J. Boberg, J. Benhase, C. Lakeman, S. Harney, B. Dvorak, I. Kemp, S. Sunderbach, J. Ivins.

As in the past, this year the Girls Athletic Association numbered over one hundred members. The freshmen, as expected, came out to take the places of those senior members who were graduated last year.

Girls from the ninth to twelfth grades are eligible to membership in this inspiring organization.

Several dances and "play day" were among the exciting events of the year.

Bowling teams were organized and enjoyed by each member.

Under the supervision of Miss Freudenthaler, the G.A.A. became one of the most active clubs in the school.

Officers: President — Kitty Causey; Vice-President — Helen Swartz; Recording Secretary — Clara Theiss; Corresponding Secretary — Ethel Currens; Treasurer — Elaine Bachman.

STUDENT COUNCIL

1st Row — M. Byrne, D. Swain, K. Causey, C. Byrne.

3rd Row — A. McNeeve, C. Lakeman, Miss Roberts, Advisor, R. Shepherd, J. Ross, C. Peterson, D. Helms, C. Cordell, H. Berning, Mr. Snapp, Advisor.

The student council is the legislative body of our school. It employs democratic principles in its associations with school and student affairs.

Charles Byrne, our well known senior, is president, Harry Berning is vice-president, Kitty Causey is treasurer, with Audrey Brenneman being secretary. As our activity managers we find: Cliff Cordell, music manager; Audrey Brenneman, literary manager; Carroll Lakeman, social manager; and Art McNeeve, athletic manager. Tess Huber is the school's purchasing agent, while Miss Roberts and Mr. Snapp act as faculty advisors.

Each class, grades seven to twelve, chooses two representatives to student council, thus making every group and grade in school represented in student council.

Among the problems confronted by our student council is the points and merits system. Merits are totaled in order to enable worthy students to receive a large activity D. A system of points determines the number of activities in which students may participate.

NATIONAL HONOR SOCIETY

The National Honor Society, an honorary group, was organized to instill the spirit of high scholastic records, noble character, and unfailing leadership all over the country.

In the spring Mr. Sporing took the club on a field trip to the University of Cincinnati Physics Building, where all obtained further education and culture.

For those who like a quieter type of recreation we have the Chess Club, which in membership, is open to all high school students.

For club officers we find Ivan Clare, President, Paul Goertemuller, Vice-President, and Ronald Heinichen, Treasurer and Clerk. Miss A. Roberts acts as advisor for the club.

These assistants are ready to help any student who may need a book from the stacks. The library also receives many magazines for student use.

The Alpha and Beta Y-Teens initiated new members early in the fall at à joint candle-light service.

The Freshmen and Sophomores, under the able supervision of Mrs. Hale, and the Juniors and Seniors, sponsored by Miss Williams, came through this year with flying colors.

Just before the holidays the Alpha Y-Teens gave a Christmas party for the orphans. The Betas sponsored their annual "Island Queen" boat ride, which was a great success. Other similar events followed throughout the year.

Beta Y-Teen officers were: president, Jenit Farrow; vice-president, Geraldine Miller; secretary, Evelyn Baas; treasurer, Julia Boberg.

TOM TOM

The Tom Tom Staff, under the direction of Mr. George Reichler, editorial advisor, and Miss Helen Spurr, financial advisor, have worked effectively and efficiently throughout the whole year producing a larger and more elaborate paper.

The Tom Tom is published by the Journalism class and is a complete student publication. This year nine issues were published. There have been many extra-page editions, consisting of six to eight pages full of the "news of the day", made possible by a wider scope.

The advertising staff have done a splendid job in their sale of advertisements, which have been greater than usual.

The editor-in-chief, Don Swain; news editors, Lee Bailey and Carl Benhase; feature editors, Elaine Bachman and Marilyn Matson; Sports editors, Don Leslie and Bob Ridge; art editor, Theresa Huber; exchange editors, Lois Hardy and Pat Stinson; circulation managers, Ronald Henichen and Don Buck; business manager, Johnetta Parker; and advertising manager, Wanda Post, all have worked harder this year and have produced the best paper in its history.

J. Parker and Mr. Reichler go over so financial matters.

ANTLERS

The Antlers Staff, under the direction of Mr. Reichler, editorial advisor, assisted by Miss Williams, and Mr. Bouic, business advisor, have produced a novel and memorable annual.

All the members of the staff were new this year with the exception of Jeanne Glenn, our activities manager for the past two years. They have made commendable accomplishments under the dominant influence of their editor, Don Leslie. The assistant editor, Harry Berning; sports editor, Don Buck; senior editor, Lois Hardy; faculty editor, Audrey Brenneman; art editor, Theresa Huber; activities, Jeanne Glenn; and class editor, Harriet Wilson, have worked effectively and efficiently with their staffs throughout the year. The result has been a better and larger book.

The business staff, managed by Irene Kemp, launched a most successful campaign in securing more ads.

THE THESPIANS

The Dramatics Department included two groups; the Public Speaking class and the Dramatics Club. With the cooperation of these groups, both under the fine guidance of Miss Conrad, many remarkable accomplishments have been contributed to the public this year.

The highlight of the year was the fall production, "Footloose." Much effort was put forth by the members of the cast, as well as the Technical Staff, to make this sparkling comedy a successful "hit." The cast was composed of Juniors and Seniors.

In the latter part of February, the Deer Park student body enjoyed a one-act tragic drama, entitled, "The Valiant," which was presented in the High School assembly.

The Thespians also contributed their talent by presenting "Parkers of '47" in episodes throughout the "Vanities."

The Dramatics Club held regularly scheduled meetings after school, twice a month. One-act plays, humorous and dramatic readings, debates and essays were presented before the club by different members. Each person was given a chance to prove his talent.

The Dramatics Club Officers were: Audrey Brenneman, president; Jeanne Glenn, vice-president; Theresa Huber, secretary; and John Ross, treasurer.

JUNIOR HIGH BASKETBALL

This year's Junior High basketball team, affectionately called "Kittens", did not emerge from their season with as many victories under their belts as their big "brothers" did.

However, they succeeded in winning four out of the sixteen games played, and they expect next year's season to be more successful.

JUNIOR HIGH CHEER LEADERS

The Jr. High Kittens were well represented as far as cheer leading was concerned this year.

Joyce Davis, Head Cheer Leader, worked quite well with her four assistants, Mickey Been, Doris Helms, Marilyn Billiter, and Mary Byrne.

These five snappy cheer leaders were highly praised this season for their excellent work.

Mary Byrne, the only seventh grade representative, added to their performances, and did a fine job, considering that this was her first year of cheering. The four eighth grade members will be eligible for senior high leaders next year, and will prove to be competition for the other girls.

This year's Reserves made what may be considered a record. They won fourteen out of eighteen games. They were defeated three times by Reading and once by the Alumni.

The Parkers started this season hopefully by dropping Loveland, 30-10.

The next game was with the Alumni. Our boys were not so fortunate as the Varsity and lost 18-16.

Both games with North College Hill resulted in easy victories.

Wyoming was unable to cope with our aces of the hardwood and was defeated in both games, 28-14, and 26-23. We again met Wyoming in the tournament and defeated them, 28-22.

Reading, as mentioned before, was the only team to beat our boys. They did this twice during the season and once in the tournament.

Hartwell was easy prey for our quintet and fell by the wayside in both games.

St. Bernard was a much more worthy opponent, but the Parkers again won both games.

Our boys had two close games with Lockland, but they were able to win out in the end, 25-22 and 26-25, respectively.

Sycamore was doomed to meet the same fate as the others when they met the Scarlet and Gray and were beaten twice after two hard fought games, 35-21 and 25-17.

We are proud of the boys who played on the Reserve basketball team and know that they will make fine Varsity material next year.

FOOTBALL

The crowd at the half.

This year completed the fourth season of eleven man football at Deer Park. The team, under the able guidance of coaches C. H. Piercey and W. A. Ross, was by far the most outstanding. Although they did not win all their games, our players broke several records and always made a very fine showing for themselves as clean, aggressive competitors and true sportsmen.

Our Wildcats got off to a flying start by downing the St. Bernard Titans, 20-7, in their opening game of the season. Making it two down and six to go, the Wildcats unsaddled the Wyoming Cowboys, to break a three year jinx, 12-0.

In the third game of the season the Parkers ran into double trouble when they were dropped from the unbeaten ranks by North College Hill, 13-6. They came back fighting, however, a week later against Seven Mile. In a last half rally our boys proved to everyone that they could play well on a muddy field. The game ended with Deer Park on the long end of a 22-6 score. Continuing their winning ways, our crimson clad warriors won an easy victory over their guests, O.M.I. The final score being 39-0.

The Scarlet and Gray suffered their second defeat of the season at the hands of the powerful Reading eleven, 12-0. Lockland, this year's M.V.I.L. champions defeated our boys in a thrilling night game, 25-0. Coach Piercey's boys lost their last game of the season to Hartwell on a soggy field 32-7.

On the whole, the football season was very successful as the team won four games and lost an equal number.

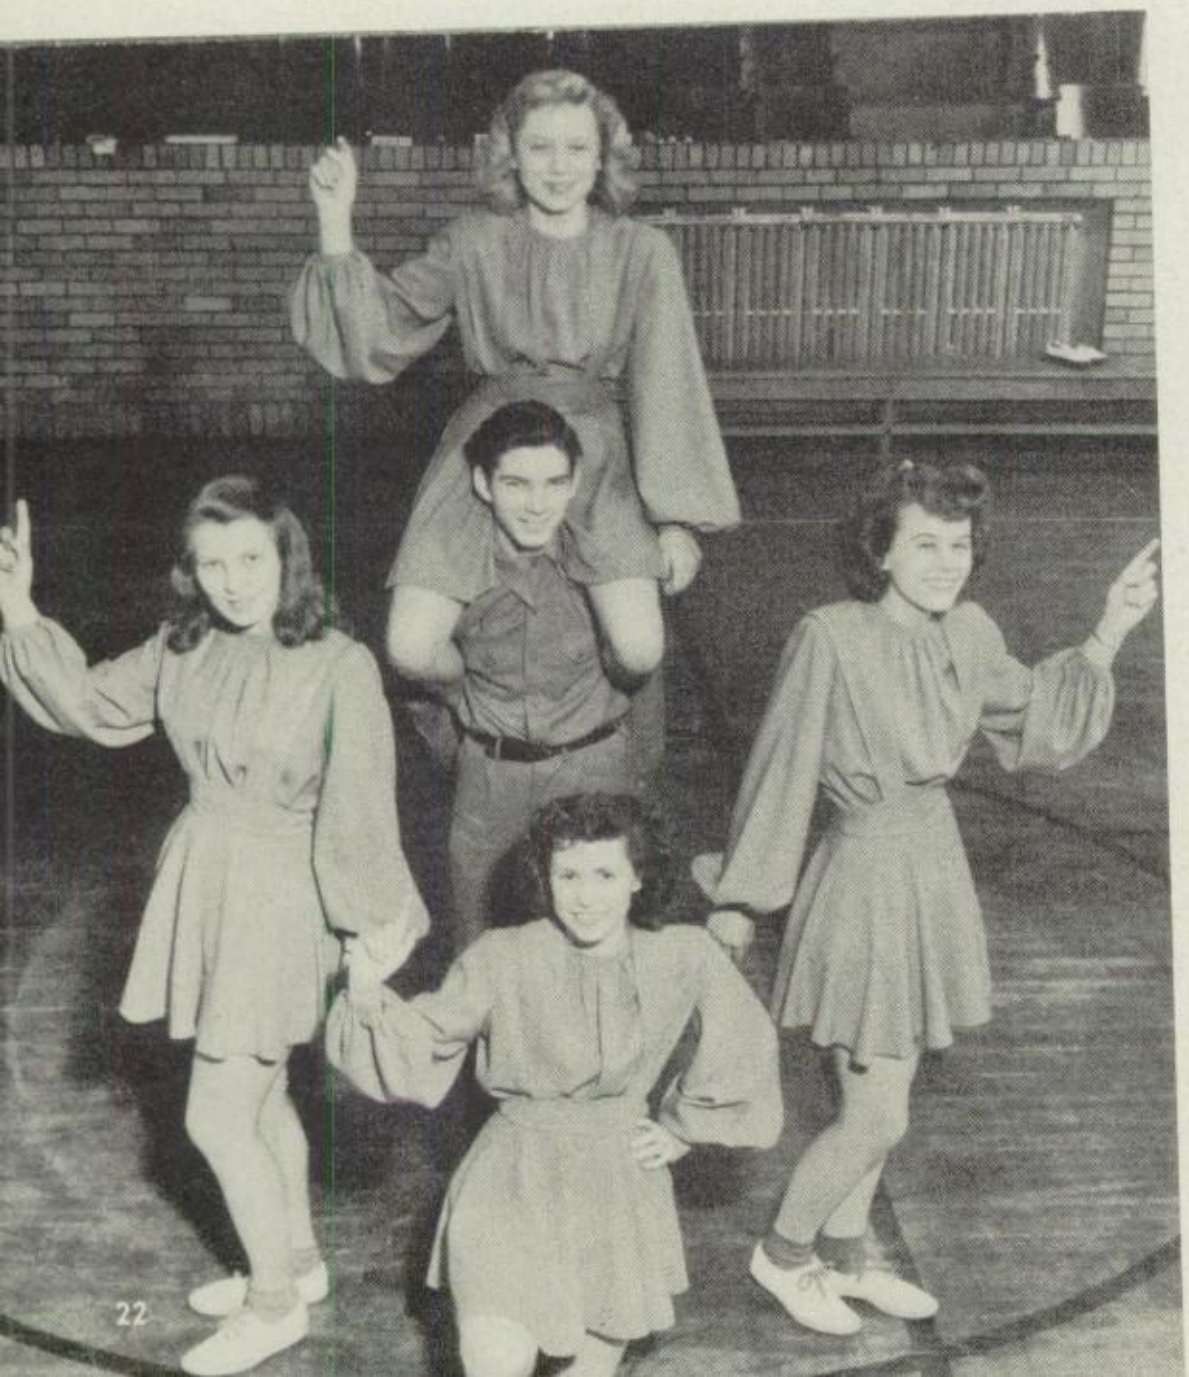
CHEERLEADERS

Deer Park's colorful and attractive cheerleaders were once again the "talk of the town." Directed by their cute, little, head cheerleader, Ethel Currens, and their sponsor, Miss Chandler, they made an exceptionally fine appearance.

All the new members of this year's squad were Seniors: Elaine Bachman, Pat Stinson, and "Smiley" Berning. The old stand-bys, of course, were Ethel, Joyce, and little "Wimp", a born cheerleader.



This year's squad was lucky enough to obtain two new sets of outfits, to which they certainly did justice.

For the football games they wore red corduroy slacks, gray V-neck slip overs, and scarlet and gray "beanies." For the basketball games the girls displayed unusually colorful outfits, consisting of gray blouses with jumper-like skirts.

THESE FRESHMEN . . .

The freshmen having completed their first year of high school, have made a very good showing for themselves. This fall many of the freshmen made a very good showing on our football team. Many more will be seen on the field next fall.

Football wasn't the only sport in which the boys participated. Basketball also interested these freshmen. Even though not all were as lucky as the ten boys who did make the team, they still helped to cheer both teams to victory.

No, the freshmen didn't stop at basketball either, they went on to baseball and other school activities.

So far we've had the boys in the limelight; now we'll give the girls a chance. They took part in Y-Teens, Glee Club, G. A. A., and many, along with a few of the boys, were in our growing band.

To give the final touch to the year the freshmen gave a reception for the sophomores.

One year now completed we know that their next three years will be even more successful.

THE SOPHOMORES . . .

The class of '49 established a place for themselves in the new school year by placing four boys in the Football team — "Little Art" McNeeve, Ed Walters, Don Gottschall and Ken Buck. These boys were a valuable asset to the football team.

With equal enthusiasm they entered the basketball season by placing Don Swain, Ed Walters and Bob Byrne on the Reserve and Art McNeeve on the Varsity.

Displaying their many talents, the "Sophs" welcomed the "Frosh" at the Freshman-Sophomore Reception, held in the early part of October.

Representing the Sophomores in the cheerleader's section was Joyce Bachman. This cute blonde cheerleader was one of the peppiest on the squad.

The versatile Sophomores were active in chorus, band, glee club, majorette squad and other various activities. They were also represented in the Vanities.

Elected to Student Council were Julia Boberg, Don Swain, and Art McNeeve.

THESE JUNIORS LOOK FORWARD TO THE DAY WHEN..

If you are walking down the halls of Deer Park High some day and a student bursts past full of exuberance over an "A" just received, a good game just played or any number of things, it's certain to be a Junior.

The Junior class is proud of itself with good reasons. Just a few examples we now give you. A great many members of the Majorette Squad were juniors. These were chosen from the many contestants.

The Junior class was also represented on both football and basketball teams. Many of the players were on the starting line up.

Participation of the Juniors was seen in other clubs such as G. A. A. where many of the board members were Juniors. Many of the beautiful voices which were heard in 103 during the Chorus and Glee Club bells be!onged to the Juniors. Ability in dramatics was also shown in plays and in many of the fine programs put on after school. The Y-Teens also drew a great many of the girls' interest.

Now we are looking forward to our final year at Deer Park High. We sincerely hope that it will be one of the best years we've ever had.

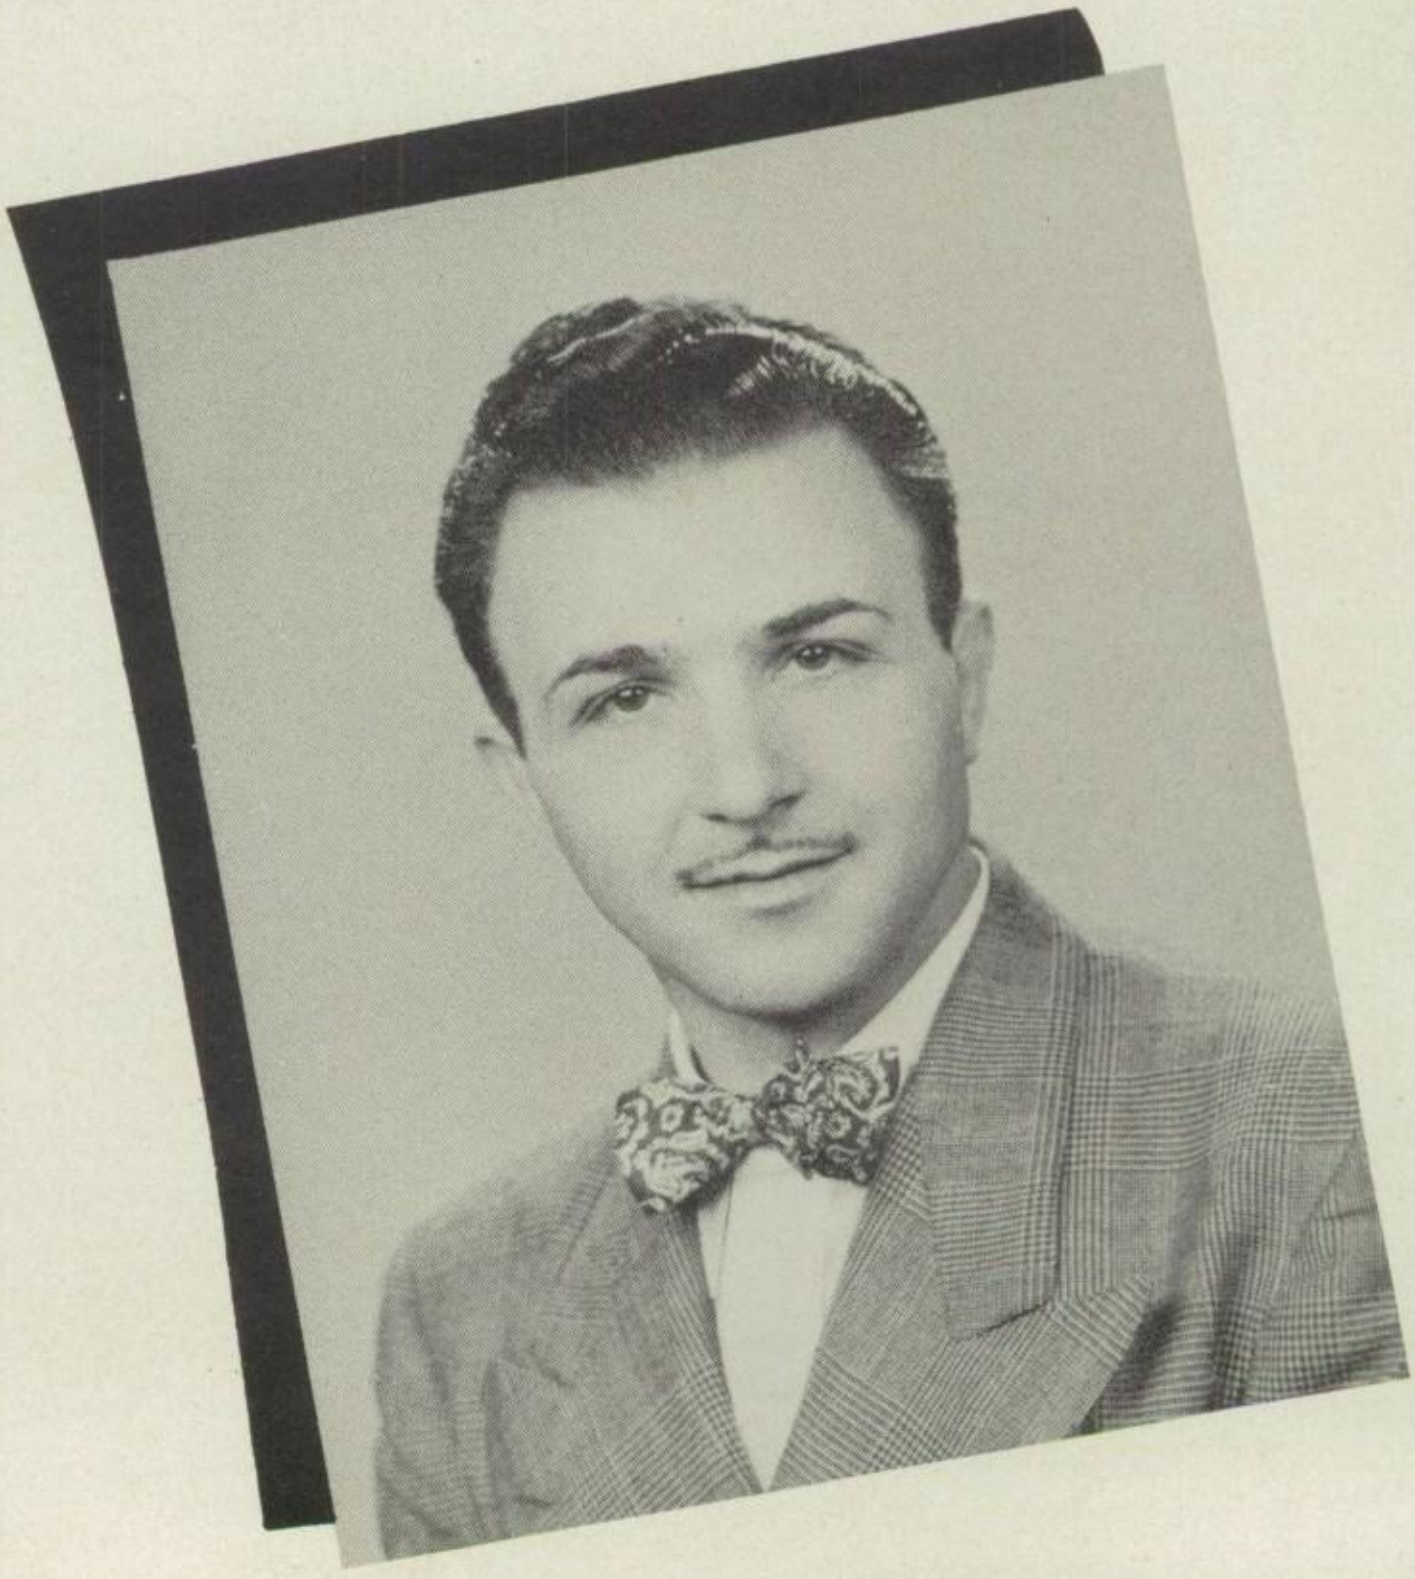
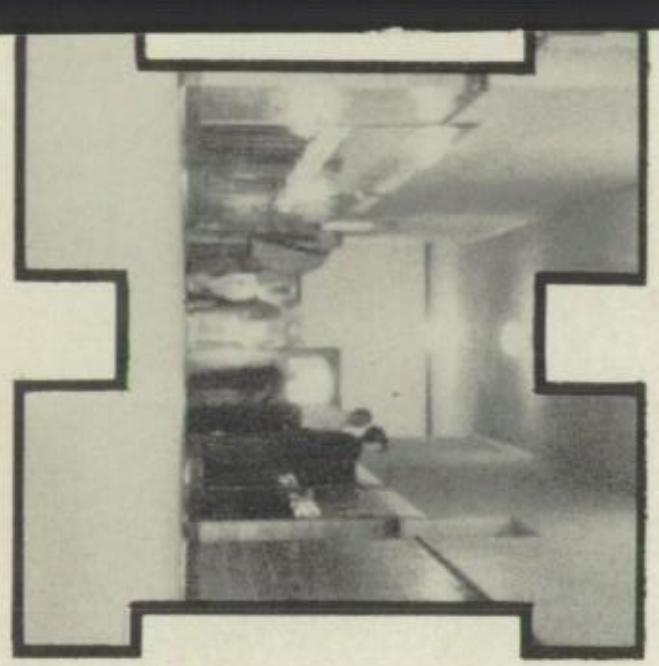
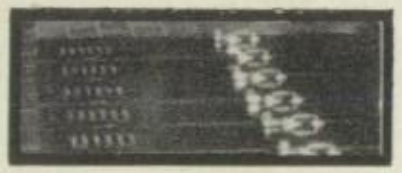
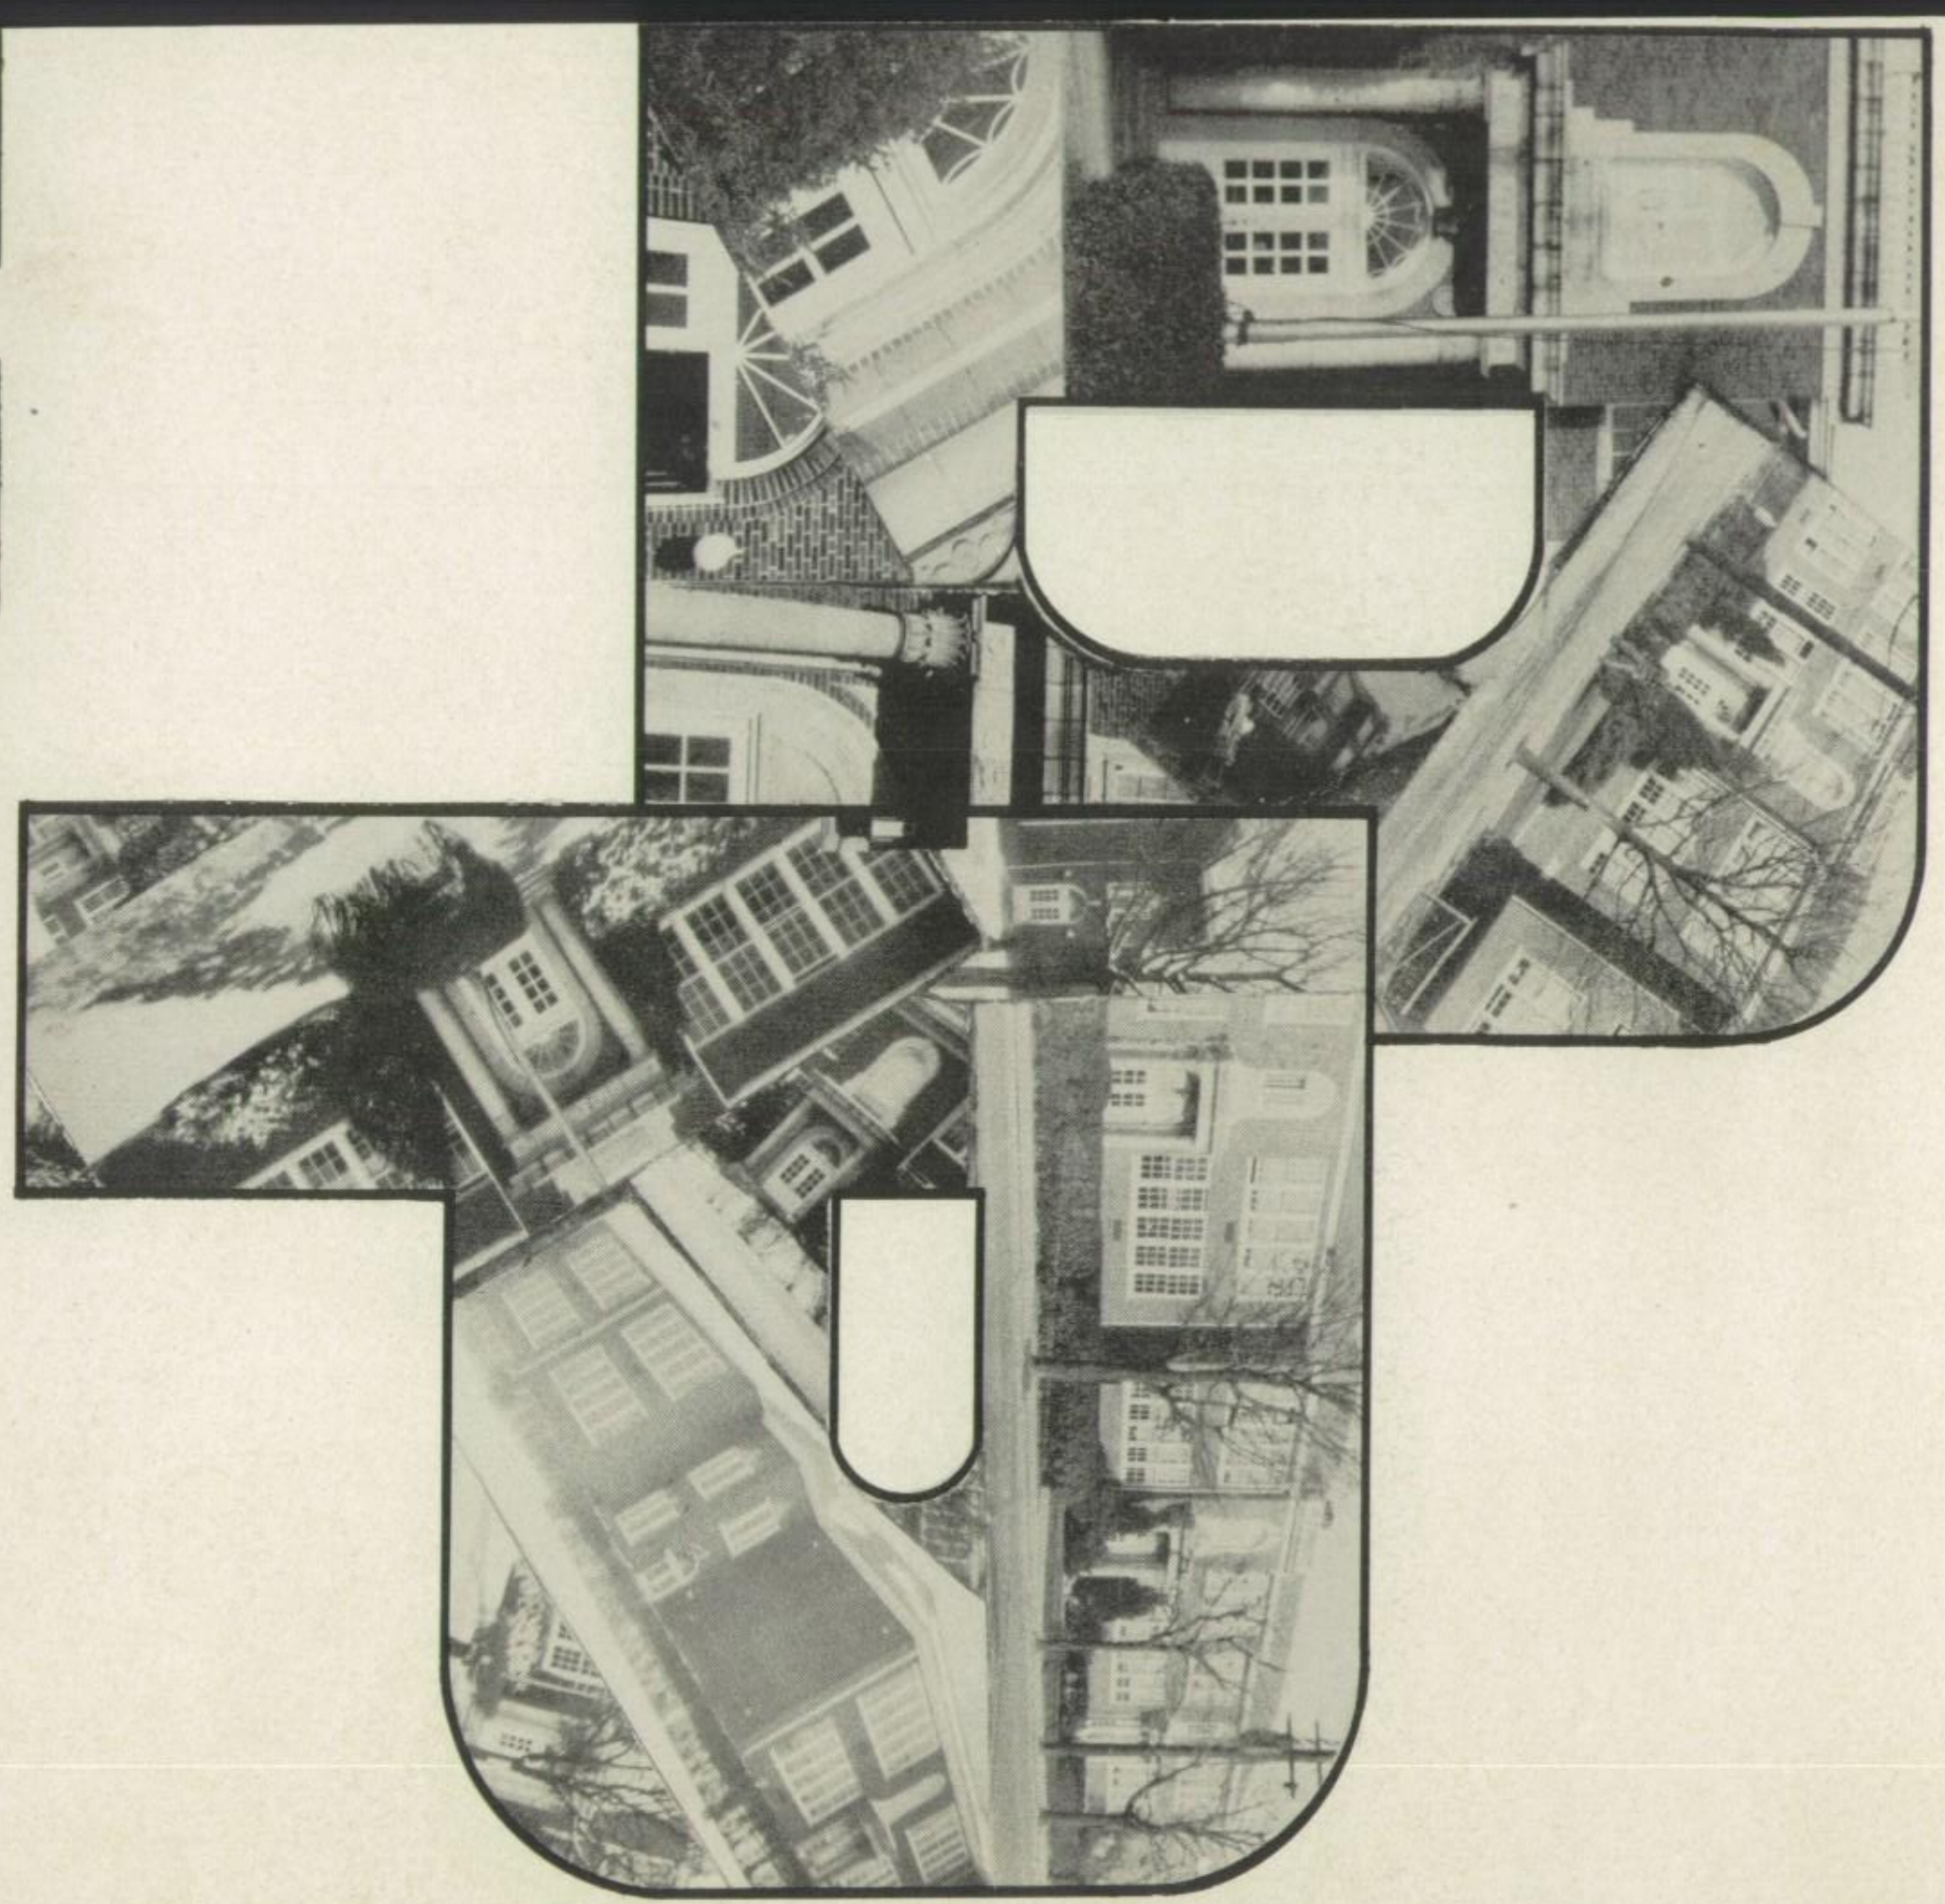
IN MEMORIAM

Mr. DeMell, former teacher at Deer Park High School, died in the summer of 1946 while visiting his sons in Oak Hill, Ohio. While at Deer Park, he was advisor of many clubs and organizations, among which were tennis, Antlers, Tom Tom, and Quill and Scroll.

His co-operative spirit and initiative won for him the admiration, respect, and friendship of the students and faculty. His marked individual personality was one of his greatest assets.








Mr. DeMell proved himself a worthy and capable advisor of the Antlers in his two years as sponsor, and made many significant improvements in our yearbook.
